Prescriber Certification and Authorization

I certify that, to the full extent required by applicable law, I have obtained written permission from my patient named above (or from the patient's legal representative) to release to the patient support program, ZySupport ("the Program"), the patient's personal health information, both as provided on this form and such other personal health information as the Program may need (1) to perform a preliminary verification of the patient's insurance coverage for Zydus product, (2) to assess the patient's eligibility for participation in the Program, (3) to enroll the patient in the Program, (4) to provide reimbursement support and other services to the patient in connection with the patient's prescription(s) on this form, and (5) for the other purposes identified on the Patient Authorization for Use and Disclosure of Personal Health Information. I authorize and appoint the Program to convey on my behalf the prescription(s) I signed for the patient and the other information included on this form to the dispensing pharmacy. I agree that the Program may contact me, including without limitation via email, fax, and telephone, to seek additional information relating to the Program, Zydus product, or the prescription(s) contained on this form. I understand that any Zydus product provided at no charge to the patient is provided on a complimentary basis. I will not submit or cause to be submitted any claims for payment or reimbursement for such products to any third-party payer, including a federal health care program. If I am or become in possession of such product, I will not resell or attempt to resell the product. I understand that if my patient's insurance or financial status changes, the patient may no longer be eligible under this program. I will notify ZySupport if I become aware of any such changes; I understand that I am under no obligation to prescribe Zydus Pharma drug and I have not received and will not receive any benefit from Zydus for prescribing a Zydus Pharma drug; the information contained in this form is complete and accurate to the best of my knowledge; and I will notify ZySupport of any errors regarding the foregoing, and will make every effort to correct those errors.

Patient Consent

I authorize my healthcare providers (including pharmacy providers) and health plans to disclose my personal health information related to this prescription form or my use or potential use of Zydus Product, including my personal contact information on this form (collectively, my "Information"), to the patient support program called (the "Program") so that the Program ZySupport may use and disclose the Information in order to: (1) establish my benefit eligibility; (2) communicate with my healthcare providers and health plans about my benefit and coverage status and my medical care; (3) provide support services, including facilitating the provision of Zydus Product to me, as well as any information or materials related to such services or Zydus products, including promotional or educational communications; (4) evaluate the effectiveness of Zydus Product support programs; (5) report safety information, including in communications with the US Food and Drug Administration and other government authorities; (6) contact me regarding this prescription form or my use or potential use of Zydus Product and provide me with related patient support communications, including through messages left for me that disclose that I take or may take Zydus Product; and (7) allow to analyze the usage patterns and the effectiveness of Zydus products, services, and programs and help develop new products, services, and programs, and for other Zydus general business and administrative purposes. I understand that my provider(s) may receive remuneration in exchange for the provision of my Information as authorized above, and that once my Information has been disclosed to the Program, federal privacy law may no longer restrict its use or disclosure and that it may be redisclosed to others. I also understand, however, that the Program plans to use and disclose my Information only for the purposes described above or as required by law. I understand that if I refuse to sign this Authorization, that will not affect my right to treatment or payment benefits for health care. If I qualify for and receive free medication from the Program, I agree to comply with the Program's rules; and I will not get reimbursed for the assistance I receive from anyone else, including from an insurance program, another charity, or from a health savings, flexible spending, or other health reimbursement account. I understand that the Program help is temporary, I must reapply every year, and I may not be eligible if I have prescription drug coverage that will pay for my medication. To the best of my knowledge, (1) My insurance plan did not require me to apply to the Program and/or change or hide my insurance coverage to make me appear to be underinsured and eligible for the Program; (2) The Alternate Contact listed on my application (if any) is not associated with or a representative of my insurance company or the insurance company's business partners. I agree to immediately contact the Program at Zydus if my insurance, treatment, or financial situation changes in any way. I understand that the ZySupport programs may be discontinued or the rules for participation may change at any time, without notice. Consent to credit check (for Free Product Assistance Only). I also understand that ZySupport may request documentation from me, my employer, my healthcare provider, or my insurance company to verify my financial information. Zydus may obtain information from my credit profile from Experian Income View for the purpose of verifying my income eligibility for ZySupport. I understand that I am providing "written instructions" to Zydus under the Fair Credit Reporting Act ("FCRA"), authorizing Zydus to obtain information from my credit profile or other information from Experian Income View solely for the purpose of determining financial qualifications for ZySupport and on an ongoing basis as needed for the duration of my participation in ZySupport. I understand that I am entitled to a copy of this Authorization upon request. I also understand that if I sign, I may later withdraw this Authorization by sending written notice of my withdrawal from the Program to ZySupport, and that such withdrawal will not affect any uses and disclosures of my Information prior to the Program's receipt of the notice. I am entitled to a copy of this signed Authorization, which expires 10 years from the date it is signed by me or such timeframe as allowed by law. Please note documentation proving Power of Attorney may be required.

Telephone Consumer Protection Act (TCPA) Consent

I agree to be contacted by Zydus by mail, email, telephone calls, and text messages at the numbers and address(es) provided on this form for all purposes described in this Patient Authorization. I also agree to be contacted by Zydus and others on its behalf by telephone calls and text messages made by or using an automatic telephone dialing system or pre-recorded voice, at the number(s) provided on this form, including but not limited to, sending me materials and asking for my participation in surveys. I confirm that I am the subscriber for the telephone number(s) provided and the authorized user for the email address(es) provided, and I agree to notify Zydus promptly if any of my number(s) or address(es) change in the future. I understand that my wireless service provider's message and data rates may apply.
